Portable Power

MEDIUM AIR SERIES

Construction & Mining Compressors

Portable Power

DOOSAN Portable Power

Features:

- Compact in its class, maximization in transport and manoeuvrability
- Rugged enclosure for dusty environments
- Operate at maximum ambient of 52deg C
- Cool Box design ensures low temperature inside the box, improves durability
- Highly fuel efficient in its class
- Low engine rpm ensure reliability and low maintenance cost
- Suitably sized fuel tank, ensures maximum running hours
- Maximum towable speeds of 30km/hr
- Lockable doors for safety
- Wider doors ensures ease of serviceability

Optional Feature on Request:

- Skid version
- Cold start Kit
